## **DETAILED ACTION**

### ***Election/Restrictions***

1. Applicant's election without traverse of Figure 1 in the reply filed on 5/1/07 is acknowledged.
2. Claims 8-13 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected embodiment, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 5/1/07.

### ***Priority***

3. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

### ***Drawings***

4. The drawings were received on 7/10/07. These drawings are not acceptable.
5. The drawings are still objected to because all diagrammatic blocks and features in Figures 1 and 4 are required to be distinctly labeled to indicate contents or function with legends (37 C.F.R. 1.83(a), 1.84(o)) since they are necessary for understanding of the drawing. Correction is required.

In particular, arrows are required to indicate all directions of information flows.

### ***Claim Rejections - 35 USC § 102***

6. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

7. Claims 1-7 are rejected under 35 U.S.C. 102(b) as being anticipated by Sun et al (5,923,665) for the same reasons as set forth in Section 7 of the last office action, dated 6/14/07.

***Response to Arguments***

8. Applicant's arguments filed 7/10/07 have been fully considered but they are not persuasive. Applicant asserts on page 3 of the Remarks that Sun et al fails to disclose the newly amended limitation. However, Figure 1B of Sun et al illustrates the concept of such common steps of receiving a request for displaying only part of the image (e.g. 141, 142).

***Conclusion***

9. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
